We have only half a winter to go and the wharf area is as still as it gets, yet the working boats are still in the slips. Seldom do we reach this point in the season with only the faintest skim of ice and only a dusting of snow.

Not a bit of frost hardens the earth. Whatever happens from now to Spring, we have had a gift from Mother Nature until now. Our January thaw has spanned nearly 25 days and counting.

Mrs. Clara D. Morgan to the committee to serve until the April 4 election. Mrs. Morgan will fill the slot vacated by Mrs. Dorothea Pierce, who resigned in December.

Mrs. Morgan, well-known in Mattapoisett for her 33 years of teaching at Center School, as well as her many years as a Brownie leader and for her 30 years as Superintendent of the Sunday School at Mattapoisett Congregational Church, said at the interview, "I feel quality education should be the best so that by the time the students graduate they can face what they have to do make good United States citizens and to earn a living."

The School Committee, comprised of Mrs. Maureen Best, chairman, and Mrs. Ellen Driscoll, nominated Dr. John Bender, a pediatrician, and voted 2 votes in favor of him, with Selectmen William Hubbard, chairman, John DeCosta and Bernard Talty voting 3 votes in favor of Mrs. Morgan. Mrs. Best and Mrs. Driscoll voiced wholeheartedly their confidence in Mrs. Morgan.

Two of the candidates, Mr. Robert P. Frates and Mrs. Kathleen K. Wood, were eliminated following the interview because they both are substitute teachers in the Mattapoisett School System and as such, according to State General Law Chapter 268A for School Committee and Members of School Personnel, cannot serve on municipal communities' boards as there are restrictions on eligibility for certain positions.

Mrs. Morgan was recommended by Selectman John N. DeCosta saying he has been familiar with her work over the years and the type of person she is. At the interview, Mrs. Morgan said she felt her total of 38 years' teaching experience

has given her a background of educational knowledge that could be valuable to the school committee. She would want the best education possible for the children, the best teachers and as much modern equipment as possible and to keep the buildings up. She said yes she is familiar with budgets and yes she would seek reelection, if appointed. She also felt she would have the time to give to the extra meetings as a representative to collaborates and to the district school committee. She added that she is not a substitute teacher but has served as a volunteer at Center School since her retirement.

The other candidates were Mrs. Mary Ann Amoruso, who has been active with the Boy Scouts and Girls Scouts. She indicated she would like to see improvement in the school libraries and to see the geography program improved or expanded; Mr. Stephen R. Hanna, who said he sees the role of school committee member as three people handling the overall supervision of the schools - they should work together. "With five children who have either been to the local schools or are now attending the system," he said, "I feel the system has a first rate reputation, I wouldn't want to do anything to change that."

Dr. Bender said he sees his role as a member as being a representative of the people and putting their ideas into the system, managing a school system and making recommendations and budgeting from top to bottom. He felt his busy medical practice would help him with budgeting and that he is familiar with children and their needs. He has children in the system and is happy with the present system.

Another candidate was Mr. Mark Whalen, an engineer with Sippican Corporation, who said he feels committee members should work towards the future on a semi-long term basis and plan resources for the schools. He said he had no predetermined goals other than a desire to serve on a school committee.

Chairman Best explained the committee's main responsibility is to set policy and

to administer an effectively run system and to make it function; to make recommendations or suggestions; approve appointments. She noted the regional school committee takes the most time if a member is named to represent the local committee at that level.

During the interview with Mr. Frates, he made the comment he felt there was an imbalance of the school committee and the administration. Chairman Best asked what exactly he meant by the imbalance. He said the school committee seemed to respond abnormally fast on questions asked by Principal William Reed of Old Hammondtown School and Principal Katherine Kozicki of Center School.

Mrs. Best responded, "Perhaps the public doesn't realize that members of the Committee have previous knowledge concerning the questions, and we have researched the question or request before the meeting."

Mrs. Morgan's Comments

(This statement is in response to comments published in the daily paper that were not made in the open meeting that we report in the preceding article. The comments were made by Mrs. Best to the Standard-Times reporter following that meeting.)

Mrs. Clara D. Morgan, newly appointed member of the Mattapoisett School Committee by a joint vote of the Mattapoisett Selectmen and the two members of the School Committee, has responded to comments made by School Committee Chairman Maureen Best that, as a former teacher, Mrs. Morgan may not be able to negotiate effectively at teacher contract negotiations.

Mrs. Morgan said that while a teacher

at Center School she did serve on the Mattapoisett Educators' Association negotiating team. "However, I feel I can negotiate effectively and fairly knowing the budgetary restrictions of the town."

She added, "I always have had, and will continue to have, the best interests of the children at heart. The community has always been foremost in my years of teaching, and I will continue to carry these feelings into the office of Mattapoisett School Committee."

In other business, Selectmen:

ACCEPTED with deep regret the resignation of Russell G. Converse as Veterans' Agent/Clerk for the town of Mattapoisett and Rochester, effective February 28th. Mr. Converse writes he will be retiring at the end of February and will be leaving the state. "I will remain on my job as long as needed to train new personnel, but no later than the last day of February."

He noted, "The last 22 months as first Clerk and then Agent/Clerk have been one of the most personally rewarding experiences of my life. All Veterans of the Commonwealth should be proud that they reside in the only state in the Union to treat veterans of all wars with the respect, dignity and aid that they deserve."

Mr. Converse recommended that the job of Agent/Clerk, which is presently under a single job title, be separated into two separate positions. He suggested that the position for Veterans' Clerk be advertised as soon as possible, then he can continue as Veterans' Agent and will be able to train a new Clerk thoroughly before Mr. Converse's departure. Selectman John DeCosta, who serves on the Veterans' Executive Council, explained he met with Rochester Selectman David Hughes, who serves on the Council, and Mr. Converse and agreed the two jobs should be separated.

Chairman William Hubbard recommended the Veterans' Council screen applicants before an appointment is made jointly by the two Boards of Selectmen.

AGREED TO PURCHASE a Monroe copier for use in the Town Hall at a cost of $3,368. As the cost is under $4,000 it is not necessary to go out to bid.

Executive Secretary Carol Adams said she received several quotes from suppliers. The sum of $5,000 was approved at the January 10th Special Town Meeting for the copier.

WERE INFORMED by Robert M. Coquillette, Chairman of the Historic District Study Committee, that two letters have been received from residents of the District expressing objection to the official formation of a historic district; one from Miss Alice Oliver, 10 Main Street; the second from Mr. Frank S. Waterman III, a summer resident who resides in Stuart, Florida.

Both residents claimed they have not

received a written notice or questionnaire on the designation of the historic area before the date of the hearings were announced. (The first of two hearing will be held on Monday, January 23rd; the second one on Thursday, January 26th, at the Museum on Church Street.)

Miss Oliver objects mainly against this organization of special interests who desire a Historic District. "I do not want another bureaucracy in the town, nor do I wish another set of repressive restrictions and regulations." Mr. Waterman objected to a January vote when it could be held from May through October when most of the summer people are around.

Mr. Coquillette answered Mr. Waterman saying publicity has been in the Presto Press since August 1987. Public hearings are mandated by law and must be held before the annual town meeting to effect any approval for an Historical District. He also noted that of 260 property owners in the proposed district, only 17 are living out-of-town. The committee feels the majority of property owners will be able to attend the hearings.

APPROVED THE INSTALLATION of a 2,000 gallon gasoline underground storage tank on the grounds of the new police station. No one appeared either in objection or support.

Chief Moran reported on January 16th the ambulance was taken to Suddard Ford in Wareham for one day of work; however, a second day will be required to replace the complete exhaust system, all of which is covered under the recall by Ford. While the ambulance is being repaired, the town will go on Mutual Aid with Fairhaven and Marion.

Mattapoisett Council on Aging

The Mattapoisett Council on Aging reports that the Regional Elderly Nutrition Program of New Bedford, due to a projected deficit they will be facing this year because of under-funding and increased requests for home delivered meals, will no longer be accepting additional home delivered meals requests.

The Regional Elderly Nutrition Program is forced at this time to implement a program of a case-by-case assessment of need for all clients presently served, any potential new clients, and to reduce services.

Case managers will do an assessment and judgment on each individual case, and home delivered meals will be provided only to those with no support. Others will be put on a waiting list.

The Regional Elderly Nutrition Program has taken these measures with regret, but has no alternative but to reduce services until their funding resources increase enough to support the need.

Brooks-Baker and Meg Roberts.

Irene Brooks-Baker, painter, was born in Paris and currently resides in London. She studied History of Art at the Louvre and is a descendant of Colbert. She has worked under the guidance of several well-known painters including Jean Cocteau. The list of her exhibitions is impressive and includes galleries in London, Paris and Munich. Her intimate style is particularly suited to the quiet loveliness of the English countryside and the remote beauty of Scotland and Greece which she loves to paint.

Meg Roberts moved to Mattapoisett a year ago from Johannesburg, South Africa. She is known throughout Europe for her Spanschachtel, hand-painted boxes, eggs, furniture and other small and large wooden objects. After a recent sell-out at the Munich exhibition, Meg has been preparing a Himmel bed and two chests for the Marion Art Center show. She plans to display the small paintings of Ms. Brooks-Baker in an intimate setting with the decorated furniture so that the exhibit will be more of an installation than a formal gallery show. The work of Meg Roberts has been exhibited in Boston,

eye talk

Q. I'm over 70 and starting to have difficulty seeing to drive at night. Will I someday have to give up my driver's license?

A. Our eyes change as we get older and this often affects our driving. Most of us can keep our licenses if we make some adjustments.

Get the right glasses for day and night driving. An annual vision examination by your optometrist is what you need.

Wear sunglasses during the day but not at night. Don't mix smoking or drinking with driving. Be aware of how prescription or non-prescription drugs you are taking might affect your vision.

Confine driving to places, speeds and hours in which you are most comfortable. Avoid driving at dusk, the most difficult seeing time. At night, try to stay on well lighted roads.

Keep your windshield and headlights clean. Also, be sure your headlights and mirrors are properly adjusted.

Reading Tutors Workshop

As an update to the story of Marion's part in the local reading program, plans are currently underway for another tutor-training workshop to start the first week of February. Lynne Kuczewski with Continental Cablevision and Karen Tamagini, with the local adult education program, will be trainers for this workshop with 20 volunteers enrolled as of this writing.

Response to this program has been better than we had imagined. All tutors who had completed our first training session are successfully working with students at this time. There is, however, an on-going demand for both tutors and students.

The program has also been instrumental in helping one of its students complete and pass his GED. Let's all hope this is just one in a line of many successes for Reading Partners.

For more information call 748-0101 or 291-0396.

Mattapoisett Growth Management

Reported by Constance Keavy

The Mattapoisett Growth Management Committee met on Thursday, January 19th, at 7:30 p.m. at Village Court. Vice Chairman Randall Kunz called the meeting to order.

The first agenda item was a request from Mr. Kunz for the Committee as a whole to set new initiatives for the coming year. Where and on what should the committee focus its commitment and energy? 'All input from committee members and town residents is welcomed as the steering committee attempts to finalize this year's goals.

Mr. Kunz also reminded sub-committee chairpersons that the deadline for the town's annual report is February 1 and

their reports will be welcomed A.S.A.P.

Planning Board member William Matthews brought the Growth Management Committee up to date on his committee's progress. Ketchum and Associates have been contracted to perform a needs assessment study for Mattapoisett. The Keller Corporation has underwritten this with a $35,000 gift. Ketchum and Associates have written numerous quality studies for other area communities, including Marion. The study will serve as a guide for the Town Planner to be hired, again funded by Mr. Keller, the proposed developer of the Nunes' property.

Ketchum Associates needs, indeed welcomes, information and feedback from town residents in order to structure and implement a work-plan for town growth. This completed plan will be an initial guide for the town planner to utilize.

Mr. Matthews, speaking for the Planning Board, expressed his hope that the M.G.M.C.'s role will be one of a working partner with Ketchum Associates and the town planner. As Dan Ostrye commented, "One function of the Growth Committee is to bring trouble spots to the forefront. For instance, the town infrastructure (roads, schools, sewers, etc.) is in need of attention and our committee can address the funding and maintenance alternatives needed to keep the systems functioning." Mr. Kunz and the committee agreed that one function of the committee would be to serve as a kind of "watchdog" to provide public relations and education for any issues that might arise.

Martha Peterson, Open Spaces, informed the group that twenty-five copies of the final draft of the Open Spaces Plan have arrived and will be distributed to Town Hall, the Selectmen, the town boards, and the town and O.R.R. Senior High School

Libraries for public perusal and comment. The Open Space Committee hopes the residents will avail themselves of this opportunity to provide input and comments.

The next goal of the Open Spaces Committee will be to apply for a $7,500 grant for a Buildout Study of the town - that point where the existing infrastructure can absorb no more development or strains.

Clifford Tripp (Water & Sewer) stated the Growth Committee has one major area of concern to be addressed. Mattapoisett sits on a fault line. Any kind of minor or major earth tremor could rupture the one hundred year old water pipes in the village area - completely disrupting water supply to the center of town. "Pipes don't last forever", he commented. The committee agreed.

June Mendell, Housing, announced that town landsites are being surveyed for possible use for rental units. The State Housing Partnership prefers to utilize town-owned land wherever possible. The state has mandated the site selection to be completed by March 1, then to be voted on at Town Meeting.

The committee is surveying sites for:

A) 12 family units

B) 1 special needs building

C) 18 congregate elderly units

The next meeting of the Mattapoisett Growth Management Committee will be held on Thursday, February 2nd, at 7:30 p.m. at Village Court. Members of the O.R.R. District School Committee plan to attend

The guest speakers included Ann Wallace (Drew), Christina Hoyt (Kenyon), Carrie Kunz Mock (University of Delaware), Bryan Reid and David Tremblay (Cornell), April Bradshaw and Jerry LeBlanc (UMass), Sean Backus (Lake Forest), Chuck Johnson (Rhode Island School of Photography), Erik Morris (Harvard), Karen Gracia (Holy Cross), Matt Knight and Vincent Chandler (RPI), Jeff Humphrey (Brown), Tom Shire (Marlborough and School for International Training) and Michelle Gayoski (University of New Hampshire).

The college students offered advice along with their perceptions of college life in general. A common theme among the college freshmen was the main change that had occurred in their lifestyle. Suddenly there was a great deal of freedom and they were on their own. Some pointed out how "overwhelming" that freedom can be at first. All the students mentioned how important it is to have good study skills and that pro-

crastination when it comes to academic work is out of the question. They found they were now totally responsible for their own behavior and had to learn to say no when outside activities interfered with academic obligations.

The older students advised the ORR students not to be discouraged if they had difficulty when they first enter college. They strongly recommended getting to know professors and asking for help when needed. Some who have changed their majors since entering college told the group not to be concerned if they aren't sure what they want to do right now. The important thing is to find something they want to do and will enjoy doing.

The college students who will be graduating this year felt they are ready to move on to something new. Chuck Johnson (RISP) however did point out that a person must grow up quickly in a two-year program because the time to go out and get a job arrives all too rapidly.

All the students recommended getting involved in some extra curricular activity in college. They felt it is a good way to get to know a variety of people. They also encouraged the high school students to visit prospective colleges and ask questions before making a final decision. One junior told the group to aim high or they'll never know what they can do. Several suggested looking outside the New England area in order to see a different part of the country and experience a different lifestyle.

The positive, often funny, approach the college students took gave the listening high school students much food for thought and a clearer picture of what to expect in the future.

Long Plain Baptist Church

ACUSHNET CONGREGATION PREPARES FOR VISIT

Members of Long Plain Baptist Church are getting ready for a visit from a world-renowned VIP. And they're planning to take Him "out and about" the community for 50 days, beginning on February 5th.

The dignitary they're expecting is Jesus Christ, and the "visit" is a part of a congregation-wide study entitled "50 Days for Christ to Visit My Community".

From February 5 through March 26 Long Plain Baptist Church will be joining in a "Spiritual Adventure" sponsored by the national radio broadcast, "The Chapel of the Air". The Adventure is designed to help participants discover that Christ wants to be a part of every area of their lives, and they'll be working to recognize and represent Him in the community.

As Pastor Robert Chapman explains, "Christ promised to be present with His people. This study won't make Him any more present than He already is. But most of us have more trouble seeing Christ outside the church than we do in recognizing His presence on Sunday morning. Through this study, we'll be learning that Christ isn't satisfied to be just a part of our

worship. He wants to be involved in every area of our lives, visiting our neighborhoods and businesses, meeting the people we encounter each day. We want to give Him the opportunity to do that here in Acushnet and neighboring communities."

Planned to coincide with the Lenten season, the Adventure is an annual event dedicated to helping people experience rapid spiritual growth through a time of intense Bible study, prayer and Christian outreach. This year's study, designed around Christ's presence in the community, will conclude on Easter Sunday, March 26.

Each adventurer will receive a 50-page Adventure journal, a written guidebook to the study, giving Scripture readings, weekly assignments and a place to record daily progress. This journal also contains a full description of the five Adventure disciplines.

In addition to the group at Long Plain Baptist Church, over two thousand other congregations from across the country will be joining the Chapel's Adventure beginning on February 5th. Hundreds of thousands of individuals in North America will participate, using the Adventure materials in conjunction with daily "Chapel of the Air" radio broadcasts.

Last year over 180,000 adults and 80,000 young people received Adventure journals through The Chapel of the Air, whose broadcast is heard locally each Monday through Friday at 6:00 a.m. over Station WEZE - Am, 1260 on the dial.

belong to the Moscow conceptualist school, the first programmatic art movement to emerge in the Soviet Union since the avant-garde of the 1920s.

Antonsen said the artists "see themselves as working in a 'post-utopian' period -- 'utopia' referring to both the socialist revolution and modern art."

The SMU Art Gallery, located in the College of Visual and Performing Arts (parking lots 8, 9) is open Monday through Saturday from 1 to 5 p.m., with an extra hour, 6 to 7 p.m., on Tuesdays, prior to a free series of films (English subtitles) by Soviet film maker Andrei Tarkovsky.

The films will be shown at 7 p.m. in Room 153 of the College of Visual and Performing Arts. They are: "Andrei Rublev" (1966), January 24; "Stalker" (1980), January 31; "Nostalgia" (1983), February 7; and "The Sacrifice" (1986), February 14. The last film will be preceded by a discussion, led by film critic Karen Rosenberg, of Tarkovsky's themes.

Other events and exhibits related to "Post-Utopia" are:

January 23-February 28, Monday-Friday, 8 a.m. to 9:30 p.m., an exhibit in the Atrium, College of Visual and Performing Arts: "Secolul 20", 1971-81 issues of the Rumanian magazine on literature and art.

STUDENTS ATTEND CONFERENCE

Recently four Old Colony Regional Vocational-Technical High School students attended a conference sponsored by the Department of Education. The conference, entitled "Student Leadership in the Educational Decision Process", included numerous workshops which assisted the participants in understanding the laws and their roles and responsibilities. Issues covered by the workshops included equity, search and seizure, and student record regulations.

Representing Old Colony was senior Paul Holstrom, a Rochester resident, who serves as president of the school's student council. Also from Rochester, Clifford Hedges IV attended as a representative of the Southeastern Massachusetts Student Advisory Council. Victoria Camacho of Mattapoisett represented the Honor Society and Susan Kallio of Carver represented the student advisory council to the Old Colony School Committee.

FUND-RAISER SHRINERS BURNS INST./ CRIPPLED CHILDREN'S HOSPITAL

A testimonial banquet (fund-raiser) will be held at the Hawthorn Country Club Friday, February 17th, at 6 p.m., honoring the Rev. Oscar Allen Guinn, Jr. of Westport.

Folk Music Series, Zeiterion

The Zeiterion Theatre's Folk Music Series will feature AZTEC TWO-STEP and PATTY LARKIN on Saturday, February 4th, at 8:00 p.m. Aztec Two-Step will perform their twin guitar sound, and Patty Larkin, "a new wave woman folk singer", will open the evening of contemporary folk music. Tickets are priced at $11.00 each with a $2.00 discount for senior citizens and students. Tickets are available at all Ticketmaster locations or by calling Ticketmaster at (617) 787-8000. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900.

Aztec Two-Step is Rex Fowler and Neal Shulman. They take their name from a line in Lawrence Ferlinghetti's collection of poems, "A Coney Island of the Mind". Their twin guitar sound, with its shimmering, intricate texture and their distinctive vocal harmonies, are landmarks in the development of contemporary acoustic music.

Aztec Two-Step met in 1971 at one of Boston's legendary coffeehouses. In 1972 the group burst upon the scene with their debut album for Elektra Records, which spoke eloquently of the human experience at a time when many Americans were awakening to new ideas and perceptions of life. Some of the songs for which the group is well-known come from this first album, including "Baking", "KIlling Me", "Dancers All" and "The Persecution of Dean Moriarty", based on Jack Kerouc's novel of the "Beat Generation, On the Road".

After their first successful album, the group subsequently recorded three albums

for RCA Records, and one for Waterhouse Records. During their career they have performed with such diversified artists as Bruce Springsteen, Heart, Seals and Crofts, Jackson Browne and Bill Cosby. In March 1986 they released their sixth album, "Living in America", on Reflex Records. This album features the songs, "Velvet Elvis", "I'm in Love with the Girl on MTV", "Rabbit in the Moon" and the title track, "Living in America".

Patty Larkin, favorite East Coast based acoustic artist and two-time winner of the Boston Music Awards - Best Folk Act and Best Folk Album, has released two albums, "Step into the Light" and "I'm Fine". Acclaimed by the Washington Post as a "new wave of woman folk singer", Ms. Larkin has emerged as one of the finest contemporary singer-songwriters of this decade. A favorite of New England, she has gained national attention through appearances at the Newport Folk Festival, Philadelphia Folk Festival and Boston's Symphony Hall.

Her debut album, "Step into the Light", was compared to the musical likes of Suzanne Vega and Ferron and the biting wit of Lily Tomlin and Christine Lavin. Her new album, "I'm Fine", features some of her finest work, performed in varied combinations, from acoustic guitar and bass to full accompaniment, each song is an example of her genius in lyric.

The Folk Music Series will conclude on Saturday, April 1st, with Buskin and Batteau, and Christine Lavin.
